

ACAPULCO

*On a pristine golden beach,
on Mexico's Pacific Coast,
is where the Aztecs paid
homage to the sun.*

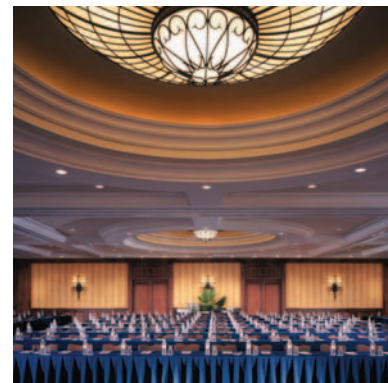

*You too, can worship the
sun in the shadow of this
modern day Aztec temple.*

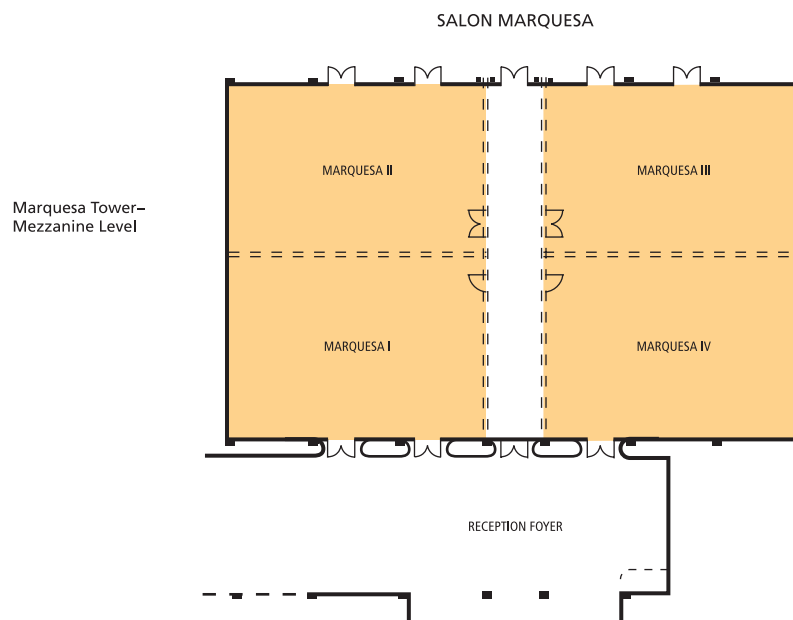

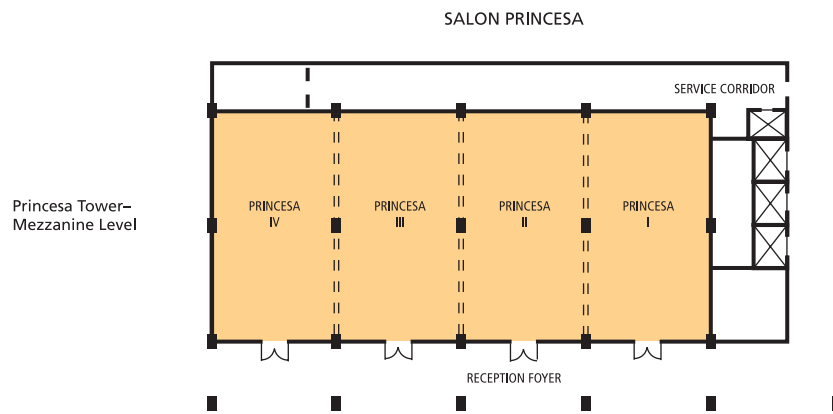

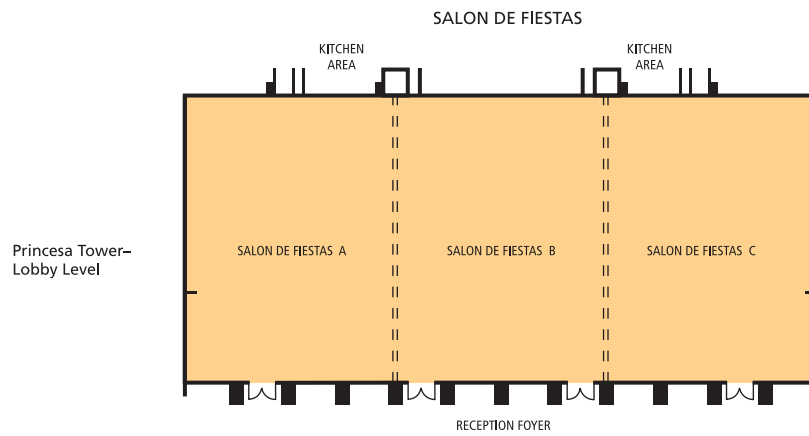

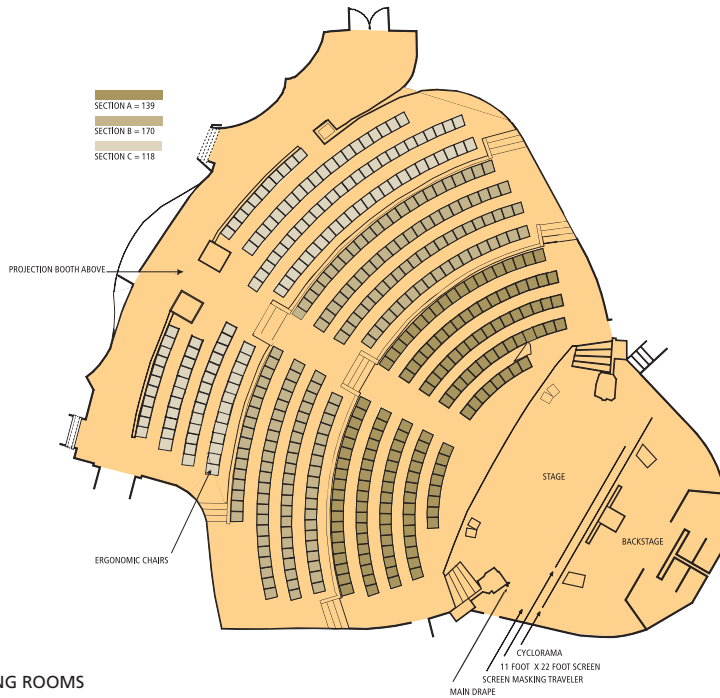

THE FAIRMONT ACAPULCO PRINCESS

The Fairmont Acapulco Princess is surrounded by 480 acres of tropical majesty—swaying palms, blue lagoons, waterfalls, and flamingos. It's a place to replenish body, mind and spirit. Soft sand and sunlight. Tropical winds singing in the palms. All overlooking the blue Pacific. Here you can swim under a waterfall or take on the challenge of two professional golf courses. But this paradise offers even more, the Atlantes Amphitheater — one of the best multimedia facilities in all of Mexico. When you enter it, you'll feel you've been hurled back a thousand years, into a temple of the fabled Aztec. Giant idols guard the stage, walls are of rough-hewn stone, marrying the ancient world with an extraordinary array of 21st-century theatrical technology. An impressive choice of refurbished meeting facilities makes The Fairmont Acapulco Princess a delight for gatherings from ten to 2,000.
