

## The Traditional Hawaiian Luau

The Luau is a traditional Hawaiian feast. At The Fairmont Kea Lani Maui's Polo Beach Lawn, your guests will be able to experience this extraordinary event.

Each guest is greeted with a fresh floral Lei and welcomed into the breathtaking Polo Beach Lawn with the sights and sounds of a Traditional Luau. Your guests can be allured with butler passed Tropical Cocktails as they mingle and enjoy the music of a Hawaiian Trio.

An Imu Ceremony can begin the festivities, a traditional removal of the "pig" from its earth oven.

Your guests then will enjoy a wide sampling of authentic Hawaiian dishes prepared in traditional manner. A contemporary Hawaiian Trio could continue to provide the background music as guests feast on Roasted Pig, Lau Lau, Lomi Lomi Salmon, Fresh Seafood caught in island waters and Haupia. A show of the traditional songs and dances of Polynesia can follow dinner, including a "Fire Knife Dance Finale".

A memorable experience in Hawaii should always include the Luau. Our Luaus preserve the tradition and respect of Old Hawaii and the Spirit of Aloha.
