TERMS & CONDITIONS

FOOD AND BEVERAGE:

Food and Beverage Supplier: Fairmont Château Laurier reserves the right to be the sole supplier of all Food and Beverage requirements on property. The only exceptions to this are wedding cakes.

The Hotel specifically prohibits the removal of food and beverage from any catered function by the client.

Liquor Service: Alcoholic beverages will be served in accordance with the regulations of the Ontario Liquor Board. No liquor service is permitted after 1:00am. All entertainment must cease at that time in order to vacate all function rooms by 1:30am.

Function Guarantees: A minimum guarantee of anticipated attendance is to be supplied to the Hotel by 12:00 noon, three business days prior to the event date. You will be charged for this number or the number served, whichever is greater, not subject to reduction. If not received, guaranteed numbers will be based on original numbers provided at time of booking. The Hotel will prepare food for and set 5% above the guaranteed number to a maximum of twenty people. If the count exceeds the guarantee by more than 5%, we will do our best to provide similar meals for the additional number at an additional charge of \$2.50 per person plus the pre-arranged per person price.

Menu Planning: We request that menu selections for plated meals (starter, entree and dessert) be the same for all guests in attendance. All split menus (more than one entree) are subject to a \$8.00 per person surcharge in addition to menu prices. Starter and dessert are limited to one. Entree splits are limited to two. The client must provide a guarantee of each entree 72-hours in advance as well as entree designating place cards

"It is our pleasure to offer you custom menus, featuring local, organic and sustainable ingredients or healthy options from our Fairmont Lifestyle Cuisine program. Our Conference Services & Catering Managers would be pleased to provide you with further information on these selections."

Dietary Constraints: Fairmont Château Laurier Hotel is pleased to offer alternative meals for those guests with special dietary constraints. Special requests must be made 48 hours prior to your event.

Food Allergies: In the event that any of the guests in your group has food allergies, you shall inform us of the names of such persons and the nature of their allergies, in order that we can take the necessary precautions when preparing their food. We undertake to provide, on request, full information on the ingredients of any items served to your group. Should you not provide the names of the guests and the nature of their food allergies, you shall indemnify and hold us forever harmless from, and against, any and all liability or claim of liability for any personal injury that does not occur as a direct result of our negligence or the negligence of any of our representatives. In the event of such negligence by us, or any of our representatives, we shall be responsible for all expenses reasonably incurred in the defense of such liability or claim of liability.

Price Guarantee: All menu prices and rack room rental charges are subject to change without notice. All prices will be honoured sixty days prior to any event.

Taxes and Gratuities:

Our current provincial taxes are 8% on food and 10% on alcoholic beverages. The 5% goods and services tax will be applied to both food and alcoholic beverages before provincial sales tax, as well as to the gratuity. All taxes and service charges are subject to change.

Reduction in Estimated Attendance: Any reduction to the original estimated number of attendances at each meal function must be provided to the Hotel Convention Services & Catering Department 30 days prior to the start date of your event, after which time you may reduce the number of Food & Beverage attendants up to 10% without a penalty. For any additional reduction over and above 10% you will be responsible for the anticipated food and beverage revenues based on the actual menu prices for the items selected for the event in question.

Surcharges: A labour charge will be assessed for meal functions of less than 20 persons. Should a minimum consumption on a cash or host bar be less than \$400.00 in sales, a labour charge of \$ 100.00 per bar will apply.

FUNCTION SPACE:

Function Requirements: All requirements and details pertaining to functions/meetings are required a minimum of thirty days prior to arrival. Should this deadline not be observed the Hotel cannot guarantee menu contents and or other necessary arrangements. To ensure the accuracy of all information, signed and approved copies of Banquet Event Orders and program notes are required from the convenor prior to group arrival.

Rental of Space: The Hotel reserves the right to assign appropriate function space based on in-house requirements and to reallocate function space should the final number of guests either exceed the maximum capacity or not meet the minimum number of guests required. Space for the event is booked only for the time indicated. The setup and dismantle times, if required, are not included and should be specified at time of booking. Should an event extend past the allocated amount of time, the Hotel may assess extensive labour and damage fees including, but not limited to, charges affecting inconveniences to other groups committed to the Hotel.

Meeting Room Set Up: Meeting room rental includes set up of room. Any changes to the original room set-up on the day of the function will result in additional labour charges.

Audio Visual Equipment: Equipment can be arranged on your behalf via our in-house supplier, TelAv, and will be billed at current rates directly from the supplier.

Delivery of Materials: Delivery of materials will only be accepted 48 hours prior to the function. All deliveries must be clearly labeled with the name and date of the function, name of the meeting room and Convention Services Representative. STORAGE & MATERIALS HANDLING:

We are not responsible for storage or materials handling. Please ensure that prior arrangements for storage or materials handling have been made before any shipment of materials to the Hotel.

If materials are delivered for a Meeting/Conference to the Hotel, the materials will be subject to a handling fee that will be applied to your Master Account. This is a one-time fee for all transportation within the Hotel.

MISCELLANEOUS:

Fairmont Château Laurier reserves the right to inspect and control all private functions.

The convenor for any function is held responsible for any damage to the premise by their guests or any independent contractors working on their behalf. Liability for damages to the premises will be charged accordingly.

Due to the historical nature of the property, extra care must be taken to preserve the restored walls and ceilings, therefore nails, tacks and tape are strictly forbidden. Easels and cork boards are available upon prior request.

Only pre-authorized signage, promotional materials, etc. will be allowed in the Hotel. Promotional materials and signage must be of a professional nature and are restricted to certain areas of the Hotel.

The following charges are: Function rooms between (1 – 100 guests) \$20.56 without dancing and \$41.13 with dancing, (101 – 300 guest): \$29.56 without dancing and \$59.17 with dancing, (301 -500 guests) \$61.69 without dancing and \$123.38 with dancing, (Over 500 guests) \$87.40 without dancing and \$174.79 with dancing.

In accordance with provincial fire regulations, no fire exits are to be blocked and they must remain clearly visible and accessible.

If confetti, sparkles or glitter are used on the premises, a \$125.00 cleaning charge will be applied.

INSURANCE:

Each of us agrees to carry, and upon demand to provide evidence of, a sufficient amount of insurance to provide coverage for any liabilities arising out of or resulting from our respective obligations pursuant to this Contract. The requirement for an insurance certificate will be communicated if necessary.

CANCELLATIONS:

Should it become necessary for you to cancel any and or all of the functions as listed in the agreement, the Hotel will be entitled to liquidated damages based on the estimated Food and Beverage Revenue and applicable room rental. Estimated Food and Beverage Revenue is calculated by referencing the agreed attendance for the event(s) listed on the agreement. This numeric value is then multiplied by the lowest retail price in that meal period. The meal periods are as follows: Continental Breakfast, Hot Breakfast, Lunch, Dinner and Reception. The following scale will determine the cancellation fee to apply:

1. If a function cancellation is made anytime after the contract is signed, a cancellation fee equivalent to the full rack room rental will apply.
2. If a function cancellation is made within 30 days prior to a pending event, a cancellation fee equivalent to 50% of the actual Food and Beverage Revenue and the Rack Room Rental will be levied as liquidated revenue damages less any revenue recouped by the Hotel through the resale of this space.
3. If a function cancellation is made within 3 business days prior to a pending event, a cancellation fee equivalent to 100% of the actual Food and Beverage Revenue and the actual Room Rental will be levied as liquidated revenue damages less any revenue recouped by the Hotel through the resale of this space.

Please note all cancellations must be received in writing.

Should the fee resulting from the cancellation of a Food & Beverage function be re-invested partially or in its entirety back into the meeting/conference/program, the Hotel will revise the final amount of the liquidated damages accordingly.

FORCE MAJEURE:

The execution of this Contract by either party is subject to acts of God, war, government regulations, disaster, strike, civil disorder, curtailment of transportation facilities (which prohibit 25% or more of the meeting delegates from attending your conference), or other emergencies making it illegal or impossible to provide the facilities or to hold the meeting/program/conference. It is provided that this Contract may be terminated for any one or more of such reasons by written notice from one party to the other provided that the reason for said termination is in effect thirty (30) days prior to the arrival of the first (1st) members of the group.

CITY OF OTTAWA SMOKING BY LAW:

Effective August 1st, 2001, in accordance with the City of Ottawa's Public Spaces and Workplaces by-laws, all public spaces are smoke-free.
