THE FAIRMONT VANCOUVER AIRPORT

These days, business is conducted at breakneck speed. And here's a business hotel right in tune. Located right in Vancouver International Airport, The Fairmont Vancouver Airport is not only state-of-the-art with soundproofed guestrooms, it's the most luxurious airport hotel in North America rated AAA-4 Diamond and on Condé Nast Top 100 Gold List. You can access the hotel's lobby right from within the airport and just footsteps away from the baggage carousel. Rich woodwork and polished marble accent 7,000 square feet of sophisticated, high tech, well planned meeting space. All 14 meeting rooms boast natural lighting, HSIA and WIFI with any audio visual needs being met whether a simple retracting screen or a high resolution LCD Projector. There's a full-service Business Center, a relaxing Health Club and Spa, and a 165-seat restaurant with floor-to-ceiling views of mountains and water that will take your breath away. Twenty minutes away is downtown Vancouver, Granville Island Market and historic Steveston Village. Golf is nearby and in winter, skiing. This is a hotel that makes business a total pleasure.
